CAR DEALERSHIPS use bottled water as a marketing tool to publicize a grand opening or anniversary, promote a special sales event or new model year introductions. **Wilde East Towne Honda, Madison, WI** shows customers their appreciation while they browse the showroom or wait for maintenance work to be completed.

FOOD TRUCKS are the perfect venue to sell their own custom bottled water, maximizing profit and increasing average sale per customer. And with space at a premium, the convenience of ordering water "just in time" is huge. **Fresh Farm Bowls, Milwaukee, WI** appreciates the return on investment they get from H2O on Demand.
