

# PRIVATE LABEL & CO-PACKING SPECIALISTS

Langlade Springs is your **one-stop source** for the highest quality private label **specialty bottled water and beverages**. Our natural alkaline mineral spring water offers refreshing taste with one of the highest **natural 7.8+ pH factors** available.

Centrally located in Northern Wisconsin, we **manufacture and bottle right at the source** to ensure ease of shipping across the entire country. Significant investments in our facility, equipment and processes, including IBWA certification, allow us to **custom mix, cold-fill, label, palletize and ship from one location**. We offer a variety of sizes, styles and your choice of PET, RPET and ENSO™ biodegradable bottles.

**Complete private label and co-packing** services with the customer focus you count on are our specialty. Competitive prices, customer-friendly minimums, expert in-house design, quick turn-around and personalized service make it easy for you to do business with us.

LANGLADE  
SPRINGS

your premium pure water source

# SOLUTIONS FOR EVERY PRIVATE LABEL NEED

## BLK<sup>®</sup>

It's more than water, it's fulvic-enhanced all-natural mineral spring water. Our custom mixing cold-fill capabilities and premium water rich in minerals, nutrients and a naturally high 7.8+ pH factor combine to create distinctive, delicious blk water.

## VICTORY H2O<sup>™</sup>

When Every Drop Counts. Winners know hydration is the key to peak performance. Dehydration can lead to lower energy levels, reduced concentration and muscle tightness. That's why VICTORY H2O relies on us to provide their ultra pure performance water designed with natural electrolytes to eliminate toxins and increase recovery for your body.

## PROJECT 7<sup>®</sup>

Products for Good. Project 7 makes everyday products that everyday people can buy at retail locations across the country. Each bottle of our natural mineral spring water is tied to a cause that gives back: Heal the Sick, Save the Earth, House the Homeless, Feed the Hungry, Quench the Thirsty, Teach Them Well and Hope for Peace. Eco-friendly biodegradable bottles are also 100% recyclable.

## BADGERMAX<sup>®</sup>

Official water of the Wisconsin Badgers. Keeping college athletes and fans hydrated is no small task. That's why the Wisconsin Badgers chose us to supply BadgerMax. Bottled in Northern Wisconsin, our premium spring water with natural electrolytes and one of the highest alkaline factors of 7.8+ pH offers refreshing taste and is naturally healthy.
